Work History

2020-07 - present	IT Specialist Sales Associate Social Media Manager <i>Brookdale Pet Center, Bloomfield, NJ</i> Troubleshoot, test, and fix printers, card machines, routers, and computers. Install new desktop hardware. Monitor our email inbox for any suspicious-looking, potentially phishing emails, and educate my coworkers on phishing to ensure no company information gets in the wrong hands. Manage our store's social media presence. Research all pet products we sell and craft talking points to sell them to customers. Create and post social media content to boost traffic to our store's website and generate more attention to our store overall. Utilize Google Sheets formulas to automate the repetitive steps of data entry. Utilize Google Forms to collect and analyze customer feedback on new products, sales, and services.
2018-09 - 2020-06	Leadership Experience FIRST Robotics Club Vice President <i>Bloomfield High School, Bloomfield, NJ</i> Helped complete the challenge of building a 120-pound robot in 6 weeks for 3 consecutive years. Handled the wiring and cables of the electrical components of the robot. Repaired glitches in the robot code and optimized the code by changing multiple if-else statements to switch statements and/or while loops. Produced and uploaded videos of our team's endeavors and posted them on our social media accounts.

Education

2016-09 - 2020-06	N/A, Diploma <i>Bloomfield High School, Bloomfield, NJ</i>
2020-08 - present	Computer Science & Cyber Security, In Progress <i>Drew University, Madison, NJ</i>

Awards
